## Elektrans Group attends the annual Gastech Conference and Exhibition in Tokyo

### Tokyo:

During the 1st week of April 2017, Elektrans Group attended the Gas Tech event in Tokyo Japan with its German Partners CST and their LNG Marine Engineering arm "Marine Services".

Gastech is the world's leading gas and LNG conference and exhibition. Expected some 25,000 commercial experts and technical innovators from the up, mid and downstream sectors of the supply chain to discover business-changing insights, explore innovative solutions and build profitable business connections within the Gas and LNG sector.

GCEO, Capt. Michael Elwert joined their German Partners, CST in Tokyo this week. The Group had a dedicated exhibition manned with our colleagues from Hamburg showcasing CST arm "Marine Services" leading marine engineering concepts within the LNG and Gas segment.

Capt. Michael Elwert quoted, "The Gas and LNG segment remains a key strategic business focus for Elektrans Group".
